

## **HYLAND HILLS**

### **SKI AREA**

#### **Hyland Hills Parking and Shuttle Service**

In order to reduce ski area traffic on Chalet Road and congestion around the chalet, Three Rivers Park District will continue to implement a parking drop-off/pick-up and shuttle system.

The free shuttle service from the Normandale Lake parking lots will begin at 8 AM on weekdays and 7 AM on weekends and run continuously during business hours. Shuttles will pick up and drop off at the chalet main entrance.

#### **Parking for this season:**

- Premium parking at the chalet will be in effect during all business hours.
- The rate will be \$2 per hour, \$10 per day maximum.
- For convenience, individuals will simply swipe a credit card to enter and exit the parking lot.
- Accessible parking at the chalet is always free for individuals with a disability parking certificate or vehicle license plate. Individuals will swipe a credit card to enter the lot and should stop at Guest Services to receive a free validation to swipe when departing.

The parking/shuttle plan is designed to:

- decrease traffic on Chalet Road, at the request of the City of Bloomington;
- alleviate the need for guests to circle through the chalet lot waiting for a parking spot to open up at busy times;
- reduce congestion in the parking and drop off areas around the chalet.

This plan has greatly increased efficiency, enhanced guest safety and improved the overall traffic flow at Hyland Hills.
