- Please drop your clothes at ERA during regular hours or during conferences in the Main Entrance office by Door 2.
- If you are donating your clothes to the ERA PTO—thank you! You simply need to bring in the washed, gently-used items and we will take care of the rest.
- If you would like to receive the proceeds of your sale via mailed check, each item must include a tag as detailed in the garment tag printout (garment type, size, price, name, email, phone) **AND** you must submit your demographic information online to our [PTO Used Uniform Seller Registry](#).
- If we do not receive your demographic information via our form, you will receive a credit that may be applied to your purchase at a future ERA PTO Uniform sale.
- Untagged items are the property of the ERA PTO by default.
- After the sale you have the option of picking up your unsold items from the PTO or, as a service to our community, we will store them for the spring uniform sale.
