Executive Director News

JASON ULBRICH

Executive Director

Too often in our lifetime we suffer pain, sorrow, and loss that is unexplainable to the human mind and heart. On Dec. 8, a 2015 graduate of Eagle Ridge Academy, Mr. Nathan Weidner, passed away unexpectedly. Nathan attended ERA since the 6th grade and earned his Pin of Perseverance upon graduation. Nathan was a talented musician, a member of the robotics team, and enjoyed the outdoors. Nathan's brothers have also attended ERA; Phillip graduated in 2016 and Andrew is a current student.

The Weidner family has been a great support to many others in our community and we ask that you lift them up in prayer and your thoughts during this difficult time. You are welcome to donate to the Nathan's Gift charitable fund (#1105215) by mailing checks with account name and number in memo field to Fidelity Charitable, PO Box 770001, Cincinnati, OH 45277, Mail Code KC1D-SCS.

ERICA POWELL

Principal, Schools of Logic & Rhetoric

"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." *John F. Kennedy*

Thank you to staff, students, and parents for making it a great year thus far. We have had a busy few weeks with winter music concerts (images below) and basketball games (images on page 4). The annual Variety Show and Coffee House will be held on Friday, Dec. 16, from 6:00-8:00 p.m. in the Eagle Ridge Academy Forum.

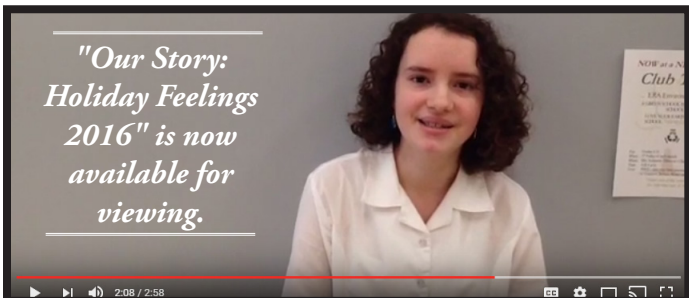

Next week will be a short week, and students will be full of energy prior to winter break. Please remind your children that this is a great time to clean out their lockers and bring a few things home. We will be reconfiguring some of the 7th and 9th grade lockers over break and will be having those students empty out their lockers.

Final exams in the Schools of Logic and Rhetoric will be held Jan. 17-19, 2017. Students will have nine days of Quarter 2 remaining when they come back from winter break.

Developing Connections

KELLY SCHIFFMAN

Director of Development

Last week a colleague and I gave a man a pair of new gloves. He was a bell ringer for the Salvation Army, giving his time to make the world a better place for less fortunate people. The day was frigid and windy, but he was smiling, wishing us a Merry Christmas, and spreading joy as people passed through the doors trying to get out of the cold. This gentleman had nothing on his hands, though, to keep him warm. We had no idea if he didn't own a pair or just forgot them that day. But a simple errand turned into an unexpected heartfelt and meaningful experience for us as we bought a pair of new gloves for his bell-ringing hands. Our day was changed when he smiled, gave us a hug, and gave us a thumbs up as we left the parking lot. A random act of kindness made one man feel special and valued for his own act of kindness. But our small gift to him made our lives more meaningful because it made us feel good that we helped someone else.

Remember this holiday season and all year round to be kind and to be generous in spirit and love. Give the gift of kindness with a smile, a laugh, a hug, an encouraging word, a helping hand, a letter, a small gift, an act of love...that warms your heart, soothes your soul, and

Cold Weather Protocol

Fresh air and outdoor activity, even in winter, can help children reboot so they can focus better in the classroom. All students should be wearing warm hats, gloves or mittens, coats, snow pants, and boots out to recess. I have a lot of requests from parents for their child to stay in for recess because the child has a cold. We cannot keep students in for colds, but wearing scarves across the face can help. The school policy is to have indoor recess when the windchill is at or below zero degrees. Children with medical conditions diagnosed by a doctor stating the reason they cannot be outdoors will be allowed to stay indoors.

Cold and Flu Season: Fever and Vomiting

All students have to be fever-free, below 100.0, without any medication for 24 hours before returning to school. If your child has vomited, he/she will need to stay home for a full 24 hours from the last vomiting episode before returning to school.

improves humanity a little piece at a time.

Warm wishes for a lovely holiday break with your families and friends.

Ms. Emily Een

STAFF SPOTLIGHT

Ms. Een teaches Latin in the School of Grammar for grades 4-6. This is her first year teaching at Eagle Ridge Academy, but she also attended the Academy as a student. She is from Minneapolis, MN.

Q: *What is your favorite part of working at ERA?*

A: I've always appreciated the rigor and the richness of Classical Education, and I highly value the teaching of grammar, logic, rhetoric, and virtues. However, I think my favorite part of working at ERA is encountering the enthusiasm and warmth that the students and teachers bring to the classroom.

Q: *What inspires you?*

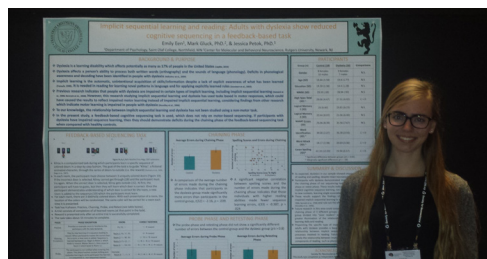

A: It is absolutely fascinating to get to work with so many different types of minds in every class, and each of them is brilliant in their own way. I love how each of my students learns slightly differently, and how each of them has his or her own interests and strengths.

Q: *What is one of your goals for the 2016-2017 school year?*

A: Get to know the school! There are so many great students, parents, and teachers here. It's exciting to have so many amazing people to get acquainted with!

Q: *If I'm not at ERA, I'm probably...*

A: ...rock climbing, working on my psychology research (implicit sequencing and dyslexia), or spending time with friends and family. •

Volunteer at the Library!

Eagle Ridge Academy's library opened this fall with the generous help from many who supported with a financial gift for books. We are now ready for volunteer support to help our library specialist with various tasks (shelving, bar coding, check-in/out, assisting with book selection, book repair, stamping new books, etc.) on Tuesdays, Wednesdays, and Thursdays. We would love your presence in our beloved library that is now home to 10,000 books.

Drama Update

**MARYBETH
HODGENS**

[Drama Club Advisor](#)

The drama club has been meeting to join its collective, creative energy each week. They are excited to perform their one-act play "The Internet is Distract—Oh Look a Kitten!" a short comedy by Ian McWethy © Playscripts Inc. on **Saturday, Jan. 21** in the ERA Gymnasium. Admission will be FREE and performances will be held at 2:00 p.m. and 7:00 p.m.

The club is in need of stuffed animals depicting the Angry Bird pigs and a pair of real boxing gloves. If you have any you would be willing to lend, please drop them at the Activity Office in a bag marked "Drama Club" and your

name so we may return them to you.

The full-length spring production will be "The Little Princess," adapted by Cynthia Mercati from the book by Frances Hodgson Burnett. This is a large cast play with 23 female and 7 male roles.

Auditions will be held the second week of January for grades 7-12 during the Upper School lunch time. Rehearsals will be held on Tuesdays and Thursdays after school and on Saturday mornings, with some flexibility in scheduling, if the director knows of conflicts ahead of time.

this is another opportunity for you to get involved. Stage crew will meet on Saturday mornings February-March, and will join the Tuesday and Thursday rehearsals in April.

Parents and Staff, we are in need of an adult supervisor to head our dynamic stage crew! Please see the posting under ERA Volunteer Positions.
