

## Eagle Ridge Academy School of Grammar Last Day Transportation

Dear Parents,

As we approach the last day of school, we want you to be prepared for the pickup plan. The last day of school is Wednesday, June 6 and will end at 11:00 am.

**TEL IS NOT PROVIDED on this day.** BUS TRANSPORTATION **will be** provided for **regular** bus students only. If your child will not be taking the bus that day or is a normally a carpooler, please make arrangements to pick up your child via carpool or inside pick up in the forum/lunchroom AND communicate those plans with your child's teacher and your child. You can find your child's carpool number in Infinite Campus under the link for Transportation.

Please return this plan by **June 1.**

I have determined if I am picking up my child via carpool, my child is riding the bus, or if another adult is picking up my child.
