Nomination Considerations

Please be mindful of the skills and attributes that are desirable for members of the Board of Directors. It is important to nominate people with these skills and attributes so that the Board has a broad range of expertise to call upon as it charts the school's future.

These include:

- A Commitment to the Academy's Classical Mission and Vision
- Development/Fundraising
- Non-Profit Management
- Education
- Facilities Management
- Finance/Accounting
- Governance/Law
- Human Resources
- Marketing/Public Relations/Advertising
- Strategic Planning

Additional points to consider:

- Board members can expect to spend roughly 12-15 hours per month contributing to Board efforts through meetings and assignments.
- If you are nominating someone other than yourself, please discuss the nomination with that person so that they are aware of the nomination.

Thank you for giving this election your careful thought and attention. Participating in this cornerstone of our country's system of government is an excellent way to exercise and model true citizenship.
